Order no.	50120	50121

## Spring-loaded castor

- For platform stairs
- Castor with axle and spring
- Please indicate the order no. of the platform stairs

Fig.: Order no. 19687

	With locking device	Without locking device
Order no.	19687	19697
<b>Electrically conductive</b>		
Order no.	50112	50113

## Storage tray

- Incl. holder and attachment
- 623/495 x 220 mm
- Clamping range Ø 35 mm
- Maximum load: 10 kg

Order no.	19273
-----------	-------

## Conversion kit for castors and sliding handles

- The sliding handles and castors Ø 125 mm facilitate easy transportation of the platform stairs with access on one side (50103 to 54108)
- The retrofit kit is screwed on and thereby replaces the four series castors

Order no.	50237
-----------	-------

## Inside shoe

- 1 set = 4 pcs.

Fig.: Order no. 19246

Side-rail dimensions 59 x 26 mm electrically conductive

Order no.	19246	19247
-----------	-------	-------

Fig.: Order no. 50109

## Handrail

- Suitable for platform stairs, single-sided
- For self-assembly on the left or right of the ascent

For platform stairs	3 steps	4-6 steps	7-8 steps
Order no.	50114	50109	50110

Fig.: Order no. 50209

## Handrail

- Suitable for platform stairs, double-sided
- For self-assembly on the left or right of the ascent

For platform stairs	3 steps	4-6 steps	7-8 steps
Order no.	50214	50209	50210

## Railing, 3-sided, push-fit design

- Suitable for platform stairs, single-sided
- Sturdy aluminium construction comprising two side railings and a closing railing with foot and knee boards
- Easy to assemble thanks to tool-free system
- Can only be inserted in combination with handrail
- Cannot be combined with safety barrier

Order no.	50240
-----------	-------

## Railing, 2-sided, push-fit design

- Suitable for platform stairs, double-sided
- Sturdy aluminium construction comprising two side railings with foot and knee boards
- Easy to assemble thanks to tool-free system
- Can only be inserted in combination with handrail
- Cannot be combined with safety barrier

Order no.	50241
-----------	-------

Fig.: Order no. 50225

### Handrail, push-fit, left

- Suitable for single-sided and double-sided platform stairs
- Easy to assemble thanks to tool-free system
- Can only be inserted in combination with the inserted railing design

For platform stairs	3-4 steps	5-6 steps	7-8 steps

- Secure footing on uneven ground
- Height-adjustable, can easily be fitted to the side-rail when required
- Adjustment range max. 375 mm

For rectangular tube side-rails	58 mm	73 mm	85 mm	98 mm
Order no.	19914	19915	19916	19917

### ergo-pad® grip area

- Ergonomically shaped grip area for easy and comfortable handling of our stepladders
- Integrated clamping mechanism secures the side-rails when folded
- Attachment to optimum carrying point
- Suitable for platform ladders with access on one side

Order no.	19051
-----------	-------

### Bucket hook

- Suitable for edged stepladders and rung ladders
- Simple to insert
- For safe working with free hands
- Made of galvanised steel
- Maximum load: 10 kg

Order no.	19115
-----------	-------

### Rigid connection

- Can be detached on one side
- Complete with fastening material (bolt, spring, sleeve)

**Note:** Please indicate ladder order no. and installation side

Order no.	19831
-----------	-------

### Spreader lock

- High-strength nylon strap
- 1 set = 2 pcs.

**Note:** Please indicate ladder order no.

Order no.	19429
-----------	-------

### Safety door for platform ladder

- For stationary platform ladders and platform ladders with castors
- Safety door/barrier in accordance with DIN EN ISO 14122-3
- Required for working platforms with a height over 500 mm

Order no. 50126

### Lifting castors

- For platform ladders, push-fit, including push-fit sections
- For convenient moving of the ladder when closed
- Ø 125 mm
- 1 set = 2 pcs.

Order no. 52085

### Lashing strap

- For securing the ladder during use and transport
- Length 1.0 m

Order no. 19960

### Side-rail cover cap

- Suitable for aluminium platform ladders
- 1 set = 2 pcs.

Side-rail dimension 58 x 25 mm

Order no. 19232

### Swivel foot claw

- For using the ladder on soil with vegetation
- Including installation material
- 1 set = 2 pcs.

Order no. 19226

### Swivel foot with rubber pad

- Ideal for use on grating covers and as a spare part
- Suitable for ladders with a side-rail width of 25 mm incl. mounting material
- 1 set = 2 pcs.

Order no. 19227

### Retrofit kit for clip-step R 13 step padding, yellow

- The clip-step R 13 step padding is clipped onto the step to cover the whole surface and is custom-fit; it can be removed again without damage to the ladder and leaving no residue
- Certified slip resistance, yellow (RAL 1021), for example to mark the last step

Only suitable for ladders from MUNK Günstzburger Steigtechnik
